

Engage Channel Partners and Drive Breakthrough Performance

WITH ZIFT PARTNER RELATIONSHIP MANAGEMENT

PRM

Capturing and keeping the attention of channel partners is difficult in today's crowded marketplace. Moreover, nurturing mutually-beneficial channel relationships that last can be a significant drain on resources. By automating and infusing visibility across key program management, partner onboarding, and deal registration and management tasks, Zift Partner Relationship Management (PRM) fosters stronger, more profitable partnerships for channel programs of all sizes.

Faster Time to Revenue

A core element of Channel as a Service (CHaaS), Zift PRM spans the entire lifecycle of successful channel and alliance relationships, enabling easy and efficient collaboration across your entire partner ecosystem, speeding time-to-revenue and empowering higher close rates and margins for both sides of the channel.

PRM:

Partner Relationship Management

Streamline partner onboarding

Speed time-to-revenue

Capture and keep partner mindshare

Track, measure and empower partner marketing activity

Enhance margins and incent sales

Eliminate channel conflicts using intelligent deal registration

Onboard, enable and empower partners across the Zift CHaaS Platform

Speed adoption and help partners gain more traction from the start with Zift PRM

Zift Partner Relationship Management Provides:

PARTNER RECRUITMENT & ONBOARDING
